

ACADEMY

- A once in a lifetime opportunity for current First Class and aspiring professional cricketers, to combine playing cricket with experiencing the breath taking views and wildlife of Australia.
- Based in Melbourne, the Academy offers competitive club and weekend cricket fixtures along with a structured weekly training program designed to develop player technique, mental strength, tactical awareness and physical fitness.
- International and Elite level coaches offer coaching of the highest standard available, at a state of the art indoor cricket centre, complete with ball machines, instant replay video analysis, sport psychologist and personal trainer led fitness sessions.
- **Also available:** Clubs found for players looking for 6 month Australian holiday.

To receive a free CD and brochure, please visit our website and click on the 'Play Cricket in Australia' page.
